

Lebanese American Chamber of Commerce

Entry Description:

Organization Name:

[Lebanese American Chamber of Commerce](#)

Organization Overview:

The Lebanese American Chamber of Commerce is a non-profit national business organization headquartered in the Great Lakes State of Michigan, with a presence in Detroit, New York, Houston, Chicago, Denver & Washington, DC. The Chamber serves to actively develop, promote and advance Lebanese American business and to enhance the economic, social, educational, trade and cultural interests by providing leadership, legislative advocacy, social and philanthropic activities, business networking, special projects and the exchange of business and information. It also seeks to promote economic growth and development, expand business opportunities and heighten awareness between the Lebanese and American communities throughout the United States and Lebanon operating as an American, Michigan-based non-profit corporation linking business professionals locally, nationally, and globally.
